I have attached the Child Enrollment Form and State Health Information Form

form that the state of Ohio requires us to have on file before school starts. ALL NEW INCOMING STUDENTS MUST BRING

THIS FORM TO SCHOOL THE DAY OF ORIENTATION. I am also attaching a copy of the Child Medical Statement that we also need on file. Again all incoming new students must bring this form to school on orientation day.

I will contact any current families that need an updated form.

We will hold our awesome Lunch Bunches again this year!

We hope you will all sign up! This is a super time for your children

to gain the experience of eating at school in a timely fashion.

Most important though, this is a fun hour to play, sing a few songs and just be together!

Lunch Bunch will begin the second week of school. We will have forms for you at orientation. The cost is \$135.00 per day per semester. We do offer a drop-in option. The drop-in cost is \$12.00 per day.

We hope that you are enjoying your summer.

We are looking forward to fall and another successful school year with your children.

Sincerely,

Shawn Bottcher, Director
